### WESSEX LEAGUE FIXTURES

The Wessex League have announced their fixtures up to 25th August. The Port start with

a home fixture on August 7th against newly promoted Fawley.

There is another home match on August 11th against Romsey Town and the League have given us a third home match on Saturday August 14th against Moneyfields, however this match will almost certainly have to be re arranged once the F.A.Cup draw is made.

The first away fixture is on Tuesday August 17th at Winchester City provided neither team is involved in a cup replay. On Saturday August 21st we travel to New Milton and then on Wednesday August 25th we entertain the other newly promoted team, Hamble.
